MS Originals

Based in Newcastle-upon-Tyne we cover most of the North East including Durham, Gateshead and the surrounding areas.

We can offer wedding and studio photography working with you at all times to take images you will love and cherish. All photography is done in a relaxed informal style and emphasis is put on your requirements.

Mike Cooke is a professionally qualified photographer and Licentiate of the Royal Photographic Society.

Wedding Photography

As wedding photographers we are flexible to ensure that all photographs are taken in the style you want, after all, it's your day so why shouldn't it be photographed your way?

All consultations can be carried out in your own home to ensure that planning your wedding photographs is a relaxed and enjoyable process. I attend all consultations and weddings with a fully trained assistant to ensure everything runs smoothly.

After the day we will present you with a proof album and can assist you in choosing your favourite memories to keep in one of

We currently use two types of albums, Mario Acerboni and Jorgensen. Mario Acerboni albums come supplied with a matching case and Jorgensen albums offer a high level of versatility with a large range of cover materials and unlimited possibilities of album mats.
